1. Product and company identification

Product Name: Solid Heavy Duty Degreaser

UN/ID No.: DOT (U.S.): Not regulated

Recommended use of the chemical and restrictions on use

Recommended Use

Supplier: Butler Chemicals, Inc.
3070 E. Ceena CT.
Anaheim, CA. 92806

Print date: Revised July 13, 2016

Responsible name: Kenny Bailey

In case of emergency:
HEALTH EMERGENCIES — SPILL EMERGENCIES
CALL INFOTRAC 1(800) 535-5053

Product type: Mixture

2. Hazards identification

Appearance: Red  |  Physical State: Solid  |  Odor: Degreaser odor

Classification

Signal Word: Warning

Pictogram: ![Pictogram]

Hazard Statement

Harmful if swallowed
Causes severe eye and skin irritation
May cause respiratory irritation

Precautionary Statements – Preventions

Wash face, hands and any exposed skin thoroughly after handling
Do not eat, drink or smoke when using this product
Use only outdoors or in a well-ventilated area
Do not breathe dust/fume/gas/mist/vapors/spray
Wear protective gloves/protective clothing/eye protection/face protection
Other protective measures: use good personal hygiene practices
**Precautionary Statements – Response**

Immediately call A POISON CENTER or doctor/physician
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing immediately call a POISON CONTROL or doctor/physician
IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse
IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician
IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Rinse mouth with water if person is conscious. Do not induce vomiting

**Precautionary Statements – Storage**

Store locked up
Store in a well-ventilated place. Keep container tightly closed

**Precautionary Statements – Disposal**

Disposed of contents/container to an approved waste disposal plant

**3. Composition/information on ingredients**

**4. First aid measures**

Eye contact: Check for and remove any contact lenses, if easy to do so. Immediately flush eyes with running water for at least 15 minutes, keeping eyelids open. Cold water may be used. Do not use an eye ointment. Seek medical attention.

Skin contact: After contact with skin, wash immediately with plenty of water. Gently and thoroughly wash the contaminated skin with running water and non-abrasive soap. Be particularly careful to clean folds, crevices, creases and groin. Cold water may be used. Cover the irritated skin with emollient. If irritation persists, seek medical attention.

Serious Skin Contact: Wash with a disinfectant soap and cover the contaminated skin with an anti-bacterial cream. Seek medical attention.

Inhalation: Remove to fresh air and allow the victim to rest in a well ventilated area. If not breathing give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.

Ingestion: **Do NOT induce vomiting.** If swallowed, wash out mouth with water provided person is conscious. Call a physician immediately.

Note to physician Treat symptomatically

**5. Fire-fighting measures**

Flash point: N/A
Flammability of the product: None, Material is not flammable
Extinguishing media: Appropriate Foam, CO2, Water spray, Water
Suitable: Emits toxic fumes, under fire conditions
Special exposure hazards: Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.

**6. Accidental release measures**

Personal precautions: Wear self-contained breathing apparatus, rubber boots, and heavy rubber gloves. Caution May be slippery.

Environmental precautions: Prevent from entering into soil, ditches, sewers, waterways and/or groundwater.
See Section 12 Ecological Information. See Section 13, Disposal Considerations, for additional information

**Methods for cleaning up**

Prevent further leakage or spillage if safe to do so.

**Small spill:**
Dike and contain liquid. Absorb on sand or other absorbent. Floor may be slippery when wet.

**Large spill:**
Dike area using protective clothing. Transfer to approved container for disposal. Pick up and transfer to properly labeled container

### 7. Handling and storage

**Handling:**
User exposure: Do not breathe dust. Do not get in eyes, on skin, on clothing. Avoid prolonged or repeated exposure.

**Storage**
Store in a cool, dry, well ventilated area away from heat or flame. Do not destroy or deface the label on container.

### 8. Exposure controls/personal protection

Consult local authorities for acceptable exposure limits.

**Engineering Controls**
Apply technical measures to comply with the occupational exposure limits. Local exhaust ventilation recommended. Eye wash stations. Showers.

**Individual-protection measures, such as personal protective equipment**

<tr>
<td>Skin and Body Protection</td>
<td>Wash contaminated clothing before reuse. Discard contaminated shoes. Wash thoroughly after handling.</td>
</tr>
<tr>
<td>Respiratory Protection</td>
<td>Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU). Where risk assessment shows air purifying respirators are appropriate sue a full-face particle respirator type N100 (US) or type P3 (EN 143) respirator cartridges as a backup to engineering controls. If the respirator is the sole means of protection, use a full-face supplied air respirator.</td>

### 11. Toxicological information
**ROUTE OF EXPOSURE**
Skin Contact: Causes severe skin irritation
Skin Absorption: May be harmful is absorbed through the skin
Eye Contact: Causes severe eye irritation
Inhalation: May be harmful if inhaled. Material is irritating to mucous membranes and upper respiratory tract.
Ingestion: May be harmful if swallowed

**Chronic Effects on Humans:** The substance is toxic to lungs

**Other Toxic Effects on Humans:** Hazardous in case of skin contact (irritant), of ingestions, of inhalation. Slightly hazardous in case of skin contact (sensitizer, permeator)

**Special remarks on Toxicity to animals:** Not available

**Special remarks on Chronic Effects on Humans:** Not available

---

**12. Ecological information**

No data available

---

**13. Disposal considerations**

Waste disposal:

The generation of waste should be avoided or minimized wherever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe way. Dispose of surplus and non-recyclable products via a license waste contactor. Disposal of this product, solutions and any by products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Avoid dispersal of spilled material and runoff and contract with soil, waterways, drains and sewers.

Refer to Section 7: HANDLING AND STORAGE and Section 8: EXPOSURE CONTROLS/PERSONAL PROTECTION for additional handling information and protection of employees.
