## 2. Hazards identification

| Appearance: Light Blue Liquid | Physical State: Liquid | Odor: Clean Fresh Scent |

**GHS Label Element:** This mixture does not meet the GHS criteria for classification

**Signal Word:** N/A

**Hazard Statement**

- **Eyes:** Product is irritating to eye tissue
- **Skin:** Not irritating to skin under normal use conditions
- **Inhalation:** Product can cause irritation
- **Ingestions:** Nausea, dizziness, Harmful if swallowed

**Precautionary Statements – Preventions**

- Wash face, hands and any exposed skin thoroughly after handling
- Chemical Safety goggles if contact is likely. Liquid and mist may irritate the eyes
- Do not eat, drink or smoke when using this product
- Use in a well-ventilated area
- Do not breathe dust/fume/gas/mist/vapors/spray
- Other protective measures: Use good personal hygiene practices
- Keep out of Reach of Children

**Precautionary Statements – Response**

- Immediately call a POISON CENTER or doctor/physician
- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If irritation persist immediately call a POISON CONTROL or doctor/physician
- IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower
- Wash contaminated clothing before reuse

---

Page 1 of 4  

Perrin’s Satin Foam Hand Soap
IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If breathing is difficult, give oxygen and immediately call a POISON CENTER or doctor/physician.
IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician, give moderate amounts of water to wash out mouth area and dilute remaining residue. Do NOT induce vomiting.

Precautionary Statements – Storage

Store locked up
Store in a well-ventilated place. Keep container tightly closed

Precautionary Statements – Disposal

Disposed of contents/container in accordance with all Local, State and Federal regulations. Regulations vary by region.

3. Composition/information on ingredients

There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section

4. First aid measures

**Eye contact:** Remove contact lenses if easy to do so. Flush with large amounts of water for 15 minutes lifting upper and lower eyelids. If irritation persists seek medical attention.

**Skin contact:** Wash affected area with plenty of soap and water. If irritation persists, or redness develops, seek medical attention.

**Inhalation:** If discomfort is experienced after prolonged exposure to mists/vapors remove to fresh air. If breathing is difficult, give oxygen and seek medical attention.

**Ingestion:** Do NOT induce vomiting. If conscious, give moderate amounts of water to wash mouth area and dilute remaining residue. Do not give anything by mouth to an unconscious person. Seek medical attention immediately.

**Note to physician** Treat symptomatically

5. Fire-fighting measures

**Flash point:** N/A
**Flammability of the product:** Product is not flammable
**Extinguishing media:** Not applicable
**Suitable:** Not determined
**Non suitable:** None Known
**Special exposure hazards:** Product is not flammable.
**Hazardous Combustion Products:** As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent and full protective gear).

6. Accidental release measures

**Personal precautions:** Use personal protective equipment as required. Caution product may be slippery

**Environmental precautions:** Prevent from entering into soil, ditches, sewers, waterways and/or groundwater. See Section 12, Ecological Information. See Section 13, Disposal Considerations, for additional information

**Methods for cleaning up**

**Small spill:** Dike and contain liquid. Mop up spill and rinse area. Floor may be slippery when
Large spill: Dike and contain liquid/spill and cap leaking container as necessary to prevent further spreading of spilled material. Wear rubber boots, gloves and appropriate protective clothing. Shut off source of leak if safe to do so. Pick up and transfer to properly labeled container.

7. Handling and storage

Handling & Storage Store in a cool, dry, well ventilated area away from heat or flame. Do not destroy or deface the label on container.

8. Exposure controls/personal protection

Consult local authorities for acceptable exposure limits.

Engineering Controls Apply technical measures to comply with the occupational exposure limits. Local exhaust ventilation recommended. Eye wash stations. Showers.

Individual protection measures, such as personal protective equipment

| Eye/Face Protection | No special equipment is usually needed when using small quantities. For bulk handling wear suitable protective glasses or goggles |
| Skin and Body Protection | The information at hand indicates that this product is not harmful and that normally no special skin protection is necessary. When handling bulk quantities, wear gloves of impervious material. |
| Respiratory Protection | Domestic quantities require no special requirements with normal careful use. When handling bulk quantities, avoid breathing mist or vapors. When ventilation is inadequate and mist or vapors are generated, respiratory protective equipment should be used suitable for protecting against airborne contaminants. |
| General Hygiene considerations | Use good personal hygiene practices |

9. Physical and chemical properties

| Physical state | Liquid |
| Color | Light Blue |
| Specific Gravity (H2O=1) | 1.014+0.005 |
| pH | 6.5 |
| Boiling Point (F) | Approx. 212°F |
| Evaporation Rate (Butylacetate=1) | N/A |
| Solubility in Water | 100% |
| Reactivity in Water | None |

10. Stability reactivity

| Stability | Stable |
| Hazardous polymerization | Will not Occur |
| Conditions to avoid | Do not mix with other ingredients except water |
| Materials to avoid | Strong Acids |
| Hazardous decomposition Products | Will not Occur |

11. Toxicological information

CARCINOGENIC: NONE
No Toxicology Information is available

12. Ecological information

Not Determined

13. Disposal considerations

Waste disposal: The generation of waste should be avoided or minimized wherever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe way. Dispose of surplus and non-recyclable products via a license waste contactor. Disposal of this product, solutions and any by products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Avoid dispersal of spilled material and runoff and contract with soil, waterways, drains and sewers.

Refer to Section 7: HANDLING AND STORAGE and Section 8: EXPOSURE CONTROLS/PERSONAL PROTECTION for additional handling information and protection of employees.

14. Transport information

DOT (U.S.) Classification Not Regulated

15. Regulatory information

Proposition 65: This material is not known to contain any chemicals currently listed as carcinogens or reproductive toxins.
